The original.
The California 6.1 – on the market for more than 30 years and continuously improved – it's one of the most popular and successful camper vans of its kind.

Enhanced exterior design.
The unmistakable design remains true to the California heritage, but has been sharpened up by the dynamic front grille and bumper, as well as LED headlights[1] with LED tail lights, sporty alloy wheels and a great choice of exterior colour options.

Versatile.
Thanks to its compact exterior dimensions and vehicle height of 1,990mm[2], the California 6.1 is a practical day-to-day vehicle, leisure bus and camper van all in one, suitable for cities and most car parks. The California 6.1 comes as standard with 4 seats[3] – not enough to fit the family? Then a fifth, sixth or seventh seat is available as an option depending on your chosen model.

Optimum off-road capability.
Optional 4MOTION all-wheel drive[4, 5], dual clutch gearbox DSG, Hill Descent Assist[4, 5], Hill Start Assist and mechanical differential lock[4, 6] provide impressive off-road mobility.

1 Standard on the California 6.1 Ocean and Surf, optional at extra cost on California 6.1 Beach Camper and California 6.1 Beach Tour models. 2 Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances.
3 California 6.1 Beach Tour features 5 seats as standard. 4 Optional at extra cost. 5 Not available for all engines. 7 Only in conjunction with the 4MOTION all-wheel drive.

State-of-the-art driver assistance systems.
The California 6.1 features a range of driver assistance systems more usually found on passenger vehicles, including Traffic Sign Recognition[1,2], Side protection[2,3,4], Crosswind Assist[2], Park Assist[2,3], Rear Traffic Alert[1,2] and Trailer Assist[1,2].

Integrated accessories.
The camping table, camping chairs and opaque window shades are neatly stowed away behind the sliding doors and tailgate, saving space when not in use.

Proven quality.
As you'd expect, the California 6.1 is durable, versatile and built to last, with a highly stable body, quality materials and time-honoured workmanship.

1 Optional at extra cost. 2 Within the system's thresholds. 3 Standard on the California 6.1 Ocean and optional at extra cost on California 6.1 Beach Camper and California 6.1 Beach Tour models.
4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Outstanding comfort.

Maximum comfort.

Total freedom.

Outstanding comfort.

The cabin offers excellent acoustic and thermal insulation, with ergonomic seats finished in robust premium upholstery. A dark canvas and bed with a soft spring system further enhance sleep quality in the roof section, whilst the lounge doubles as a bed extension with the option of a comfort mattress overlay[1].

Perfectly networked.

The California 6.1 Ocean displays information clearly on the Digital Cockpit's[2] innovative high-resolution 10.25 inch display. The Ocean also features the latest touch-screen radio and navigation system[3] with integrated eSIM, App-Connect, We Connect[4] mobile online services and Bluetooth®, ensuring you stay informed while you travel.

Adaptable interior.

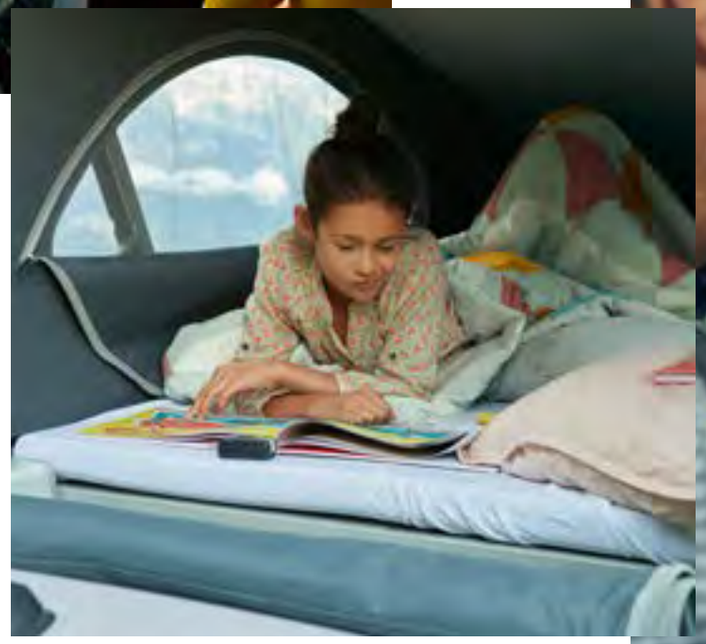

The folding bench seat in the living area can be secured at any position on the sliding floor-mounted rail system, along with swivelling front seats, providing a highly flexible and adaptable interior.

1 Optional at extra cost. 2 Standard on the California 6.1 Ocean model. 3 Standard on the California 6.1 Ocean and optional at extra cost on California 6.1 Beach and Surf model.
4 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com and can use services free during this time.

Your new favourite hotel.
Wherever you go.

The California 6.1 is the ideal travel and leisure camper van to make you feel right at home anywhere.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Trailer Assist.[1,3]

Trailer Assist automatically manoeuvres the vehicle and trailer during parallel and reverse parking, only in combination with tow bar preparation or removable and lockable tow bar.

Park Assist.[1,2]

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

Side protection.[1,2,4]

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

Crosswind Assist.[1]

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

Adaptive Cruise Control (ACC).[1]

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18 miles per hour triggers emergency braking.

Tyre pressure monitoring system.[1,3]

Displays the current pressure for every tyre and warns of deviations from the set pressure.

Traffic Sign Recognition.[1,3]

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation system including 'Streaming & Internet' systems.

Hill Descent Assist.[1,5,6]

Allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

1 Within the system's thresholds. 2 Standard equipment on the California 6.1 Ocean and optional at extra cost on California 6.1 Beach Camper and California 6.1 Beach Tour models.
3 Optional at extra cost. 4 No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes.
5 Optional at extra cost on the California 6.1 Ocean model. 6 Only available in conjunction with 4MOTION all-wheel drive.

Pure driving pleasure
On any terrain.

A choice of three engine and gearbox combinations ensures optimum performance and driving pleasure. 4MOTION all-wheel drive[3,5] provides exceptional traction on virtually any surface, while the dual clutch gearbox DSG significantly enhances driving comfort with its smooth gear changes.

Dual clutch gearbox DSG. The standard 7-speed dual clutch gearbox DSG delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency. Choose between normal and sport mode.

Dynamic Chassis Control (DCC).[3] Dynamic Chassis Control (DCC) offers you a choice of three settings: Sport, Comfort or Normal. At the touch of a button, the system adjusts the damping, enabling you to adapt your California 6.1 to suit the road and your driving style.

4MOTION all-wheel drive.[3,5] 4MOTION all-wheel drive provides impressive traction, optimum handling and greater steering control, helping you master difficult conditions. The power transmission adjusts automatically to the driving situation via an electronically controlled clutch on the rear axle.

Mechanical differential lock.[3,4] The mechanical differential lock is available as an option for the rear axle, providing additional support to the 4MOTION all-wheel drive[3,5] making it easier to pull away in difficult off-road conditions and making the California 6.1 one of the most effective all-terrain vehicles in its class.

My California 6.1

My life.

The decision for a California 6.1 is always a decision for more freedom. For the freedom to follow one's heart alone and to consistently go one's own way. This also applies to the equipment. The extensive standard equipment can be tailored precisely to your individual needs with many other extras.

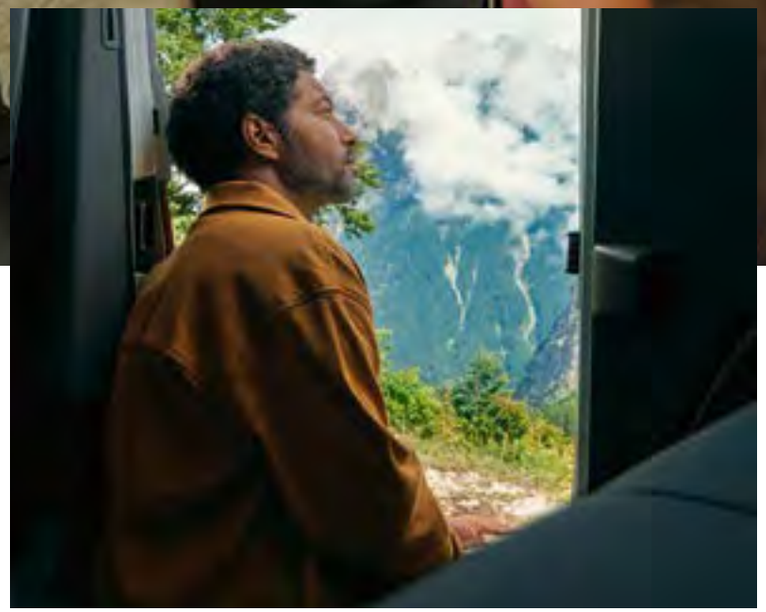

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Comfort in a small space.

The dimmable LED background lighting bathes the interior in warm, atmospheric light.

The panorama window[1] in the elevating roof opens with a zip.

Make relaxing in the California 6.1 your favourite place.

Things are best in your own home. Especially if you can take your home with you to the most remote destinations. The California 6.1 gives families this boundless freedom. In the morning the children wake up in their own loft bed with a clear view to the horizon. In the afternoon, parents can relax in the lounge area of their living room. And in the evening in the California 6.1 Ocean model, everyone can end the day together in the private kitchen with pleasantly dimmed LED background lighting, before setting off for the next location the next morning. This way the family can experience new things everyday. And yet can always feel at home.

1 Standard equipment on the California 6.1 Ocean and optional at extra cost on California 6.1 Beach Camper and California 6.1 Beach Tour models.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

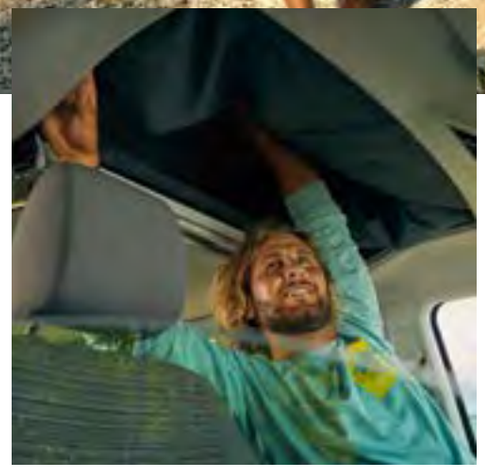

Images shown are for illustrative purposes only and may not reflect UK specification.
UK California 6.1 Beach models feature 17 inch 'Devonport' alloy wheels as standard.

6- or 7-seat[1] option. With this flexible option for the California 6.1 Beach Tour, you have two vehicles in one: a van with the ability to transport five or six passengers for everyday use, and a camper van with up to four sleeping spaces for your leisure time.

2-seater bench seat with side stowage area. This seating configuration is ideal for couples or small families who only need a few seats but more stowage space. Standard on California 6.1 Beach Camper.

Manual pop-up hydraulic roof. The lightweight, robust canvas roof can be easily unlocked from the roof opening and pushed upwards on the hydraulic struts. Standard on California 6.1 Beach Camper and Beach Tour models.

Your home anywhere you like.
The living and sleeping comfort in the California 6.1 Beach.

Being woken up by the waves, early in the morning on the beach – the probability of this happening is greatest in the California 6.1 Beach. Its entire interior is designed to spontaneously go on journeys and break-out its awning[1)] at your chosen place to camp. It makes no difference whether you opt for the standard 4-seater Beach Camper or the 5-seater Beach Tour: both the Camper and Tour models are equipped with a rear bench seat which folds down easily into a bed, blackout roller blinds in the living area and fabric blinds for the cab windows and front windscreen.

1 Optional at extra cost in the California 6.1 Beach Tour model.

Quick food in the evening.
The new mini-kitchen in the California 6.1 Beach Camper

Scrambled eggs in the morning, a small pasta dish as a snack or a warm soup before going to bed: With the standard, fold-out mini-kitchen, you can now also conveniently prepare simple dishes in the California 6.1 Beach Camper. During the journey, the worktop with a single gas hob is safely incorporated in the side trim. When you arrive at your holiday destination, you can easily pull the hob out of the trim panel and put your culinary skills into operation. After use, the mini-kitchen is just as easy to clean and fold away so that you can stretch out at night as usual.

Mini-kitchen with hinged folding table. Stowed safely in the sliding door during the journey, the versatile folding table can be hooked into the guide rail of the folded-out mini-kitchen and placed on two legs if required.

Fold-out mini-kitchen. If the robust aluminium structure with stainless steel worktop is pushed into the side trim, the entire width of the California 6.1 Beach Camper can be used as an open space.

Gas storage compartment. Under the hermetically sealed cover, an optional 1.8 kg Campingaz gas cylinder [1] can be securely attached to straps and connected to the gas hose.

1 Gas cylinders must be purchased separately at additional cost.
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Perfectly equipped
for every journey.

One thing is for sure: a holiday in the great outdoors makes you hungry. That is why the California 6.1 Ocean model is equipped with a fully functional kitchen where you can prepare something fresh at any time. However, self-sufficient people will find many other features that make life in the wilderness easier. For example, a 25 litre fresh water tank, a 42 litre compressor cool box and two maintenance-free leisure batteries. Many things can also simply be done outside. This is possible with the sturdy aluminium camping set, the removable washing-up bowl and the outside shower[1]. So nothing stands in the way of a meal in the open air.

1 Optional at extra cost.

The kitchen looks great too.
The kitchen design in the California 6.1

An extremely lightweight, yet highly stable aluminium composite forms the basis. The surface décor in the California 6.1 Ocean and Surf has an elegant look, while the basic equipment includes a 42 litre compressor cool box, a large base cabinet, a flexible worktop and three eye-level stowage compartments in addition to the stainless steel sink/hob kitchen unit. So nothing stands in the way of a three course menu.

Stowage compartments. A movable blackout module with three stowage compartments is integrated into the narrow window above the compressor cool box. They are ideal for storing herbs and spices. If the stowage compartments are pushed to the rear, the window provides a view to outside.

Kitchen base cabinet. It is accessible via two sliding doors and can also be opened when the bed is set-up. It contains an extendable cutlery tray and the frost-protected 30 litre waste water tank in the rear area.

Sink/hob kitchen unit. Below the two-part safety glass cover, there is a two burner gas cooker (maximum 1,800W) with convenient piezo ignition on the left and a stainless steel sink with a removable washing-up bowl on the right.

Flexible worktop. It can be moved in a rail and can either be set up using a fold-out leg, fixed to the headrest of the rear bench seat with the rubber strap supplied, or simply folded away.

42 litre compressor cool box. The 42 litre chest with clip-on basket, which is easily accessible from above, is cooled by the integrated compressor. Thanks to good insulation and an additional battery, the drinks remain refreshingly cool even during the journey.

Rear cupboard. This is where all the important components for electricity, water and gas supply are located: the residual current circuit breaker, the fresh water tank with recess in which a 2.8kg Campingaz natural gas fuel tank[1] fits, and the fresh water drain lever.

1 Optional at extra cost.
Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Shades in the cockpit. On the California 6.1 Ocean and Surf models, the front windscreen can be blacked out by two roller blinds[1] and the side windows by magnetic curtains.

Shades in the living room. The integrated roller blinds can be pulled down in guide rails and ensure that the windows are screened on all sides. Their reflective aluminium coating on the outside provides additional protection against heat.

Wardrobe. In the rear section of the California 6.1 Ocean and Surf, is a two-part built-in wardrobe with mirror, clothes rail and lockable safe[2]. Its redesigned doors are easy to open and close.

Fully sprung loft bed. The flexible springs adapt precisely to the sleeping person and improve sleeping comfort (approximately 2,000 x 1,200mm).

Roof storage compartment. A fold-down storage compartment is fitted above the backrest of the bench seat. It has a capacity of approximately 45 litres and can also be opened while sitting or lying down.

Drawer under the two-seater bench seat. All kinds of small and medium-sized travel items such as pillows and blankets can be stowed away in the approximately 60 litre drawer.

Cosier than ever.
The living and sleeping comfort in the California 6.1

You can spend the most beautiful days of the year in the California 6.1 – and the nights too. The new sprung base of the bed on the first floor, help to further enhance sleep quality. In the lower area, the double bed features a lounge function for the first time. The headrest can be raised in several steps and fixed in the your preferred position.

1 Standard equipment on the California 6.1 Ocean model.
Not available on California 6.1 Beach Camper and California 6.1 Beach Tour models.
2 Optional at extra cost.

A question of type.
The equipment lines compared.

For camping beginners.
California 6.1 Beach Camper.

No matter whether you want to hike in the mountains or surf in the sea, the California 6.1 Beach Camper is an all-rounder that brings everything you need on holiday. The standard mini-kitchen, the stowage area and four or optional five seats underline the exceptional camper qualities and allow for it to be registered as a camper van for the first time.

For everyday users.
California 6.1 Beach Tour.

If you mainly want to use the California 6.1 for home use, the best option is the California 6.1 Beach Tour. It is registered as a passenger car, has two rear sliding doors and five seats as standard and can be equipped with up to seven seats as an option. Every spontaneous excursion becomes a little holiday.

For globe trotters.
California 6.1 Surf.

The California 6.1 Surf is the ideal base camp for everyone who is drawn to the great outdoors. Robust and hard-wearing on the outside, it offers everything on the inside for you to be self-sufficient as possible - including a fully functional kitchen, a large fresh water tank and plenty of stowage space.

For the discerning.
California 6.1 Ocean.

In the California 6.1 Ocean you can expect the best a camper van can offer: maximum relaxation. Dark slate design in the living room, atmospheric background lighting and an electro-hydraulic elevating roof with panorama opening make every journey a dream holiday. LED headlights with separate LED daytime running lights also enhance the exterior design.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

The fun begins. **Driving** in the California 6.1 Beach.

As soon as the wind picks up, it's time again. The kite season begins. And with it the run to the best stomping grounds. Professionals like Alina Kornelli and Florian Gruber bring their own surf camp with them with the California 6.1 Beach. This means they always have all their equipment with them and can spend the night next to the sea. No matter whether they are on the road in the California 6.1 Beach Camper with mini-kitchen or in the California 6.1 Beach Tour with up to seven[1] seats and two sliding doors.

1 Optional at extra cost.

Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

Standard equipment highlights of the California 6.1 Beach Camper and Beach Tour (continued).

Driver assistance and safety systems

- Adaptive Cruise Control (ACC) with speed limiter including Front Assist with City Emergency Braking System[1]
- Anti-theft alarm system with interior monitoring in cab, back up horn and towing protection
- Manual dimming breakaway interior rear-view mirror
- Central locking system with two remote control keys, system controls inside and SAFELOCK
- ISOFIX and top tether for rear seats
- Crosswind Assist[1]
- Driver Alert System
- Driver and front passenger airbags with front passenger's airbag deactivation button
- eCall emergency system
- Electric childproof lock

Driver assistance and safety systems (continued)

- Electronic Stabilisation Programme (ESP), Anti-lock Braking System (ABS), Traction Control System (ASR), Electronic Differential Lock (EDL) and Hill Start Assist
- First aid kit and warning triangle
- Headlight range control
- Seat belt warning for the driver's and front passenger's seat if unfastened
- Side and curtain airbags for driver and front passenger
- Single-tone horn
- Start-stop system with regenerative braking
- Three-point seat belts for all seats, height-adjustable with electric pre-tensioners on seats in cab
- Tyre pressure loss indicator[1]
- Windshield wiper intermittent control with four speed control for windshield wipers
- 17 inch brake system front, 16 inch in rear

Camping equipment

- Multi-flex board with padding in luggage compartment
- Camping table for inside/outside use (in sliding door) and two folding chairs (in tailgate)
- Camper control unit with touch screen which operates and/or displays battery charge level, battery capacity, external temperature, alarm clock, parking heater (where fitted) and interior lights
- Gas hob with single burner, stowable (Camper models only)
- Gas tank storage for 1.8kg gas cylinder[2] with gas pressure regulator and shut-off valve (Camper models only)
- Loft bed (approximately 2,000 x 1,200mm) with comfortable sprung base, mattress and child safety net
- Auxiliary pre-heater

Camping equipment (continued)

- Pull-out awning with housing and rail in Black (Camper models only
- Tent adapter and rail in Black (Tour models only)
- 230V inverter with socket on driver's seat
- 230V external inlet with charging feature for vehicle batteries (Camper models only)

1 Within the system's thresholdst. 2 Please note, the gas cylinder is not supplied with the vehicle.

Open the window and enjoy.
Living and sleeping in the California 6.1 Ocean.

There are not generally hotels at the most beautiful places in the world. Unless you bring your own.

Safely parked, the California 6.1 Ocean not only offers a fantastic view against a breathtaking backdrop,

but also – on cloudless nights – an unforgettable view of millions of stars.

Image shown is for illustrative purposes only. Vehicle shown is not UK specification.

Starting from **£74,222†**

Please click here for more details.

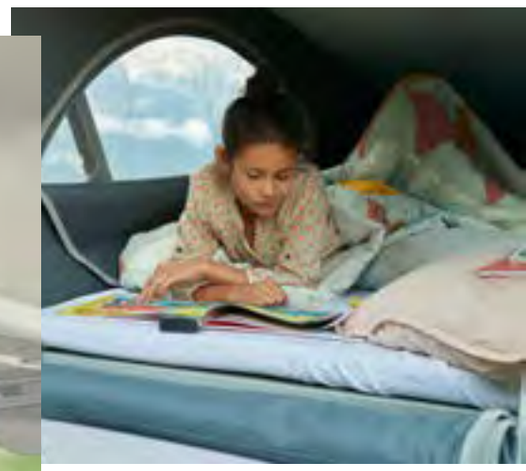

The Camper control unit can also be operated from the loft bed.

The auxiliary heater can be set to continuous operation for the night on the new Camper control unit.

Thanks to the new sprung base, lying in a loft bed is now even more comfortable.

Highlights of the **California 6.1 Ocean**

- Ambient interior lighting, featuring dimmable LED cupboard lights
- Climatronic air conditioning system and auxiliary air parking heater
- Digital Cockpit
- Discover Media DAB+ navigation including 'Streaming & Internet' [1]
- Electro-hydraulic elevating roof with panorama front opening
- Fully functional kitchen with gas hob, sink and 42 litre compressor cool box
- Fog lights including cornering function
- Front and rear parking sensors including Park Assist
- LED headlights with separate LED daytime running lights
- Kitchenette in Graphite Grey slate-effect

California 6.1 Ocean with mini-kitchen, Graphite Grey built-in cupboards, four seats and bed extension with lounge function.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

† Volkswagen Commercial Vehicles may change RRPs at any time (this includes where there are government changes in regulation and/or legislation).
1 Only in combination with We Connect Plus, 1 year Z22 at no additional cost. Subsequent years at an additional cost.
There may be a delay to any RRP displaying correctly on our materials. Always obtain prices from your chosen authorised Van Centre.

Standard equipment of the California 6.1 Ocean.

Interior shown features optional ‘Art Velours’ seat upholstery.

Wheels

- Lockable wheel bolts
- Steel spare wheel with original equipment tyre
- Tool kit and jack
- 17 inch ‘Aracaju’ alloy wheels in Silver
- 215/60 R17 tyres with low rolling resistance

Design

- Body-coloured door mirror housings and handles, front and rear bumpers
- ‘California‘ badge on the front wing and on the rear
- Electrically heated, adjustable and folding door mirrors via vehicle key
- LED headlights with separate LED daytime running lights
- Mounting rails on the roof (preparation for movable roof rack)
- Red LED tail lights
- Radiator grille with five chrome trims and chrome detail in lower air intake
- Tailgate with window aperture and power latching

Cockpit

- Armrests for both cab seats
- Comfort dashboard with chrome elements and bezels finished in Black
- ‘Circuit’ cloth seat upholstery
- Decorative trims in Pewter Wave Grey
- Grab handles on A-pillar for access, on driver and front passenger side
- Heated front seats for driver and passenger
- Illuminated glovebox
- Illuminated dash instruments, dimmable
- Illuminated sun visors with airbag label on front passenger’s sun visor
- Leather trimmed multi-function steering wheel
- Lumbar supports for driver and front passenger seats (both manually adjustable)
- One waste bin in door storage compartment of the cab
- Soft-folding grab handles on roof frame
- Swivel seats for driver and front passenger (without height-adjustment)
- Velour floor mats in cab

Infotainment and connectivity

- Digital Cockpit
- Discover Media DAB+ navigation system with 8 inch touch-screen including ‘Streaming & Internet’[1]
- Two 12V sockets in the dashboard
- Volkswagen Wired and Wireless[2] App-Connect

Passenger compartment

- Additional LED interior lighting, featuring lighting in pop-up roof, tailgate and kitchen cupboards
- Plastic floor covering
- Power latching for sliding door, right
- Side step illumination with ‘California’ lettering
- Sliding door on the right in passenger compartment
- Sliding window with fly screen in passenger compartment, left and right
- Special sound deadening measures in cab and passenger compartment
- Two-seater bench/bed, movable along rail system and folds down into a two-person bed

Air conditioning and glass

- Climatronic 3-zone automatic climate control with allergen filter, additional passenger compartment controls and A/C ventilation in headlining
- Heat-insulating glass (green)
- Privacy glass in passenger compartment
- Rear window with insulating glass, not heated with wiper and washer system
- Sliding window above kitchenette and in sliding door and fixed window in rear passenger compartment, right

Driver assistance and safety systems

- Adaptive Cruise Control (ACC) with speed limiter including Front Assist with City Emergency Braking System[3]
- Anti-theft alarm system with interior monitoring in cab, back up horn and towing protection
- Auto-dimming breakaway interior rear-view mirror
- Automatic headlight activation with separate daytime running lights, leaving home and manual coming home function
- Automatic headlight range control
- Central locking system with two remote control keys, system controls inside and SAFELOCK
- Crosswind Assist[3]
- Driver Alert System
- Driver and front passenger airbags with front passenger’s airbag deactivation button

1 Only in combination with We Connect Plus, 1 year (Z22) at no additional cost. Subsequent years at an additional cost.
2 Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems.
3 Within the system’s thresholds.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.
Detailed information regarding tyre efficiency labelling and technical specifications on all potential tyre fitments can be found by visiting the Volkswagen Commercial Vehicles online car configurator at www.volkswagen-vans.co.uk/en/configurator.html

Standard equipment of the California 6.1 Ocean (continued).

Driver assistance and safety systems

- eCall emergency system
- Electric childproof lock
- Electronic Stabilisation Programme (ESP), Anti-lock Braking System (ABS), Traction Control System (ASR), Electronic Differential Lock (EDL) and Hill Start Assist
- First aid kit and warning triangle
- Front fog lights including cornering function
- Front and rear parking sensors including Park Assist
- Heated washer nozzles
- Rear-view camera system
- Seat belt warning for the driver's and front passenger's seat if unfastened

Driver assistance and safety systems (continued)

- Side and curtain airbags for driver and front passenger
- Side Assist
- Single-tone horn
- Start-stop system with regenerative braking
- Three-point seat belts for all seats, height-adjustable with electric pre-tensioners on seats in cab
- Tyre pressure loss indicator[1]
- Washer fluid level indicator
- Windshield wiper intermittent control with rain sensor for windshield wipers
- 17 inch disc brakes in front and 16 inch disc brakes in rear

Camping equipment

- Bed extension for rear bench seat
- Camping table for inside/outside use (in sliding door) and two folding chairs (in tailgate)
- Camper control unit with touch screen which operates and/or displays battery charge level, battery capacity, external temperature, fresh and waste water levels, alarm clock, parking heater, interior lights and cool box temperature
- Cupboards in 'Graphite Grey' slate-effect
- Electro-hydraulic elevating roof, with three windows including one front panorama opening, canvas in Basalt Grey
- Gas hob with two burners
- Gas tank storage in bottom of rear wardrobe for 2.8kg gas cylinder[2] with gas pressure regulator and shut-off valve
- Loft bed (approximately 2,000 x 1,200mm) with comfortable sprung base, mattress and child safety net

Camping equipment (continued)

- Programmable air parking heater, with radio remote control and additional auxiliary pre-heater
- Pull-out awning with housing and rail in Black
- Stainless steel sink with adjustable tap and removable washing-up bowl
- Two additional AGM leisure batteries, maintenance-free (one battery with cut-off relay)
- 230V inverter with socket on driver's seat
- 230V external inlet with charging feature for vehicle batteries and internal 230V outlet on the side of the kitchen unit
- Waeco compressor cool box with removable basket (approximately 42 litres)
- Wardrobe in rear with hanging rail and mirror
- Waste water storage tank (approximately 30 litres) with lockable external filler cap and electric pump

1 Within the system's thresholds.
2 Please note, the gas cylinder is not supplied with the vehicle.

The destination in sight.
A journey into the digital world.

Cars are getting smarter. The California 6.1 is already equipped with many digital technologies that make driving and camping more comfortable. For example, the high-resolution Digital Cockpit[1] with navigation map. Or the new Camper control unit, which controls all the important camper functions. Or Volkswagen We Connect[2]: multiple services that turn your smartphone into a remote control for the car. And this is just the beginning.

1 Standard on the California 6.1 Ocean model. 2 To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com and can use services free during this time.

Image shown is for illustrative purposes only. Vehicles shown are not UK specification.

Audio & communications

01

02

01 Composition Colour DAB+ radio system. Fitted as standard, the Composition Colour DAB+ radio system features a 6.5 inch TFT touch-screen colour display, two USB (type-C) ports, Bluetooth®, SD card slot and four x 20 watt output with six or eight speakers. It also features App-Connect, an integrated eSIM and mobile online services as part of We Connect[1] and We Connect Plus[1,2]. Standard on California 6.1 Beach Camper and Beach Tour models.

02 Discover Media navigation DAB+ system including 'Streaming & Internet'.
The Discover Media navigation system including 'Streaming & Internet' features an 8 inch colour touch-screen with proximity sensor. The system includes a 32GB media storage, natural voice control, integrated eSIM, free map updates via the internet and mobile online services with Volkswagen We Connect Plus[1,2] and wireless[3] App-Connect. Standard on California 6.1 Ocean models and optional on California 6.1 Beach Camper and California 6.1 Beach Tour.

04

03 Ready to Discover Media DAB+ radio system
The Ready to Discover Media system includes an 8inch colour touch-screen with proximity sensor. Includes 2 x USB charging port (USB-C), smartphone integration and and Wired and Wireless App-Connect[3].

04 Discover Pro navigation DAB+ system including 'Streaming & Internet'.
The optional Discover Pro navigation system including 'Streaming & Internet' provides navigation and radio functions via a glass-covered 9.2 inch colour touch-screen, giving the touch and feel of a premium tablet. Thanks to innovative gesture control, you can control all functions, such as changing radio stations, with a simple swiping movement of the hand. It also comes with 3-years' We Connect Plus[1,2] and provides online access to such information as traffic, fuel pricing, parking space availability, weather and news feeds; and includes online navigation software updates, enabling you to download the latest map data. Optional on Ocean models.

1 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. 2 Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. Free of charge for three years when you order Discover Pro navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired.
3 Only in conjunction with compatible Apple CarPlay devices on the navigation infotainment systems.

Second navigation map in high-resolution 3D display[1].

Digital Cockpit[2]

You can now experience digital progress up close in the California 6.1. State-of-the-art infotainment systems with large storage capacity and the Digital Cockpit[2] offer many new functions. The latter immediately impresses with its 10.25 inch display, its intense colours as well as its bright and extremely high-contrast image. The Digital Cockpit[2] is operated via the touch-screen display of the infotainment system and via the leather trimmed multi-function steering wheel. Use the buttons to conveniently scroll through the playlist of your holiday soundtrack or set the safety distance of the Adaptive Cruise Control (ACC)[3]. Even more possibilities arise when the Digital Cockpit[2] is combined with the Discover Media navigation or Discover Pro navigation sytem[4]. A large second navigation map can then be positioned on the Digital Cockpit[2].

Playlist from smartphone.

Traffic Sign Recognition[3,4].

Overview of driving data.

1 Only available in conjunction with the Digital cockpit. 2 Standard on California 6.1 Ocean model.
3 Within the system's thresholds. 4 Optional at extra cost.

Images shown are for illustrative purposes only. Vehicles shown are not UK specification.

Camper control unit

Control of the electro-hydraulic elevating roof[1].

Control of energy and fresh water supply.

Display of vehicle inclination.

1 Standard on the California 6.1 Ocean and not available on the California 6.1 Beach Tour or Beach Camper models. 2 To use We Connect services, you need to have a Volkswagen ID user account, and must log into We Connect with your username and password. In addition, a separate We Connect contract or We Connect Plus contract must be concluded online with Volkswagen AG. For We Connect Plus, you have 90 days from the handover of the vehicle to register the vehicle at www.portal.volkswagen-we.com, and use the services for the full duration of the agreed free period. 3 Free of charge for the first year when you order Composition Colour or Discover Media navigation system including 'Streaming & Internet'. Free of charge for three years when you order Discover Pro navigation system including 'Streaming & Internet'. There is an extra charge in the event of renewal once the free period has expired.

Images shown are for illustrative purposes only.
Vehicles shown are not UK specification.

We Connect[2] and **We Connect Plus**[2,3]

From service to infotainment.

With the Camper control unit, you now have a digital central unit at your disposal that allows you to conveniently control numerous functions of the California 6.1. The menu items are selected intuitively via the touch-screen. The installed electrical consumers can then be put into operation via the rotary knob. You can even start some on-board systems from your smartphone. Simply download the We Connect app to your mobile phone, subscribe to We Connect Plus[2,3] and connect to your vehicle.

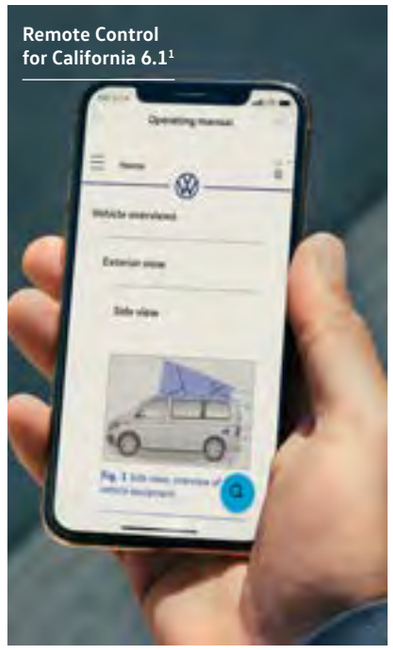

Get more from your California
with the California-on-Tour app.

Get more from your California 6.1 from parking space and campsite search functionality, to being able to turn your California into a smart home on wheels[1].

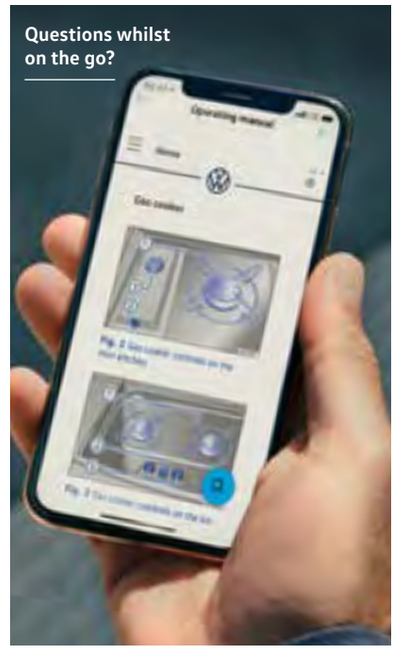

Finding campsites and camping has never been easier. Use the California on Tour app to show you more than 23,000 campsites across UK and Europe.

Once connected, use the app to see all camper-specific information about the vehicle. Interior lighting, pop-up roof[2], coolbox, and camping mode can all be accessed and controlled via the app.

Got a question or unsure? You have a digital Manual with you at all times within the app, what's more there are even how to videos for our frequently asked questions.

Download here

The California-on-Tour app can be downloaded free of charge from the appropriate app store.

Download from the App Store

Download from Google Play

1 Functionality dependant on trim and specification selected on vehicle. 2 Electro pop-up roof available as an option on Beach Tour and Beach Camper or standard on Surf and Ocean models. 3 Model shown may include optional equipment not available in the UK.

We Connect and We Connect Plus.
Your vehicle's technology, at your fingertips.

With Volkswagen We Connect[1] driving a camper van will now be even more digital. The We Connect[1] App connects your smartphone to the vehicle with an integrated eSIM card. To take advantage of these exclusive services, you can register today with the We Connect[1] Portal. Once your vehicle has been activated, you can access the full range of Mobile Online Services.

We Connect [1]

BREAKDOWN CALL
In the event of a breakdown, we get to your location quickly. With **'Breakdown Call'**, you can call for breakdown assistance from your vehicle with the press of a button. The system will send your location and vehicle information directly to the AA Call Centre.

PARKING POSITION
The **'Parking Position'** Service shows you where your car is located. If necessary, it can also show you the fastest way of getting to it.

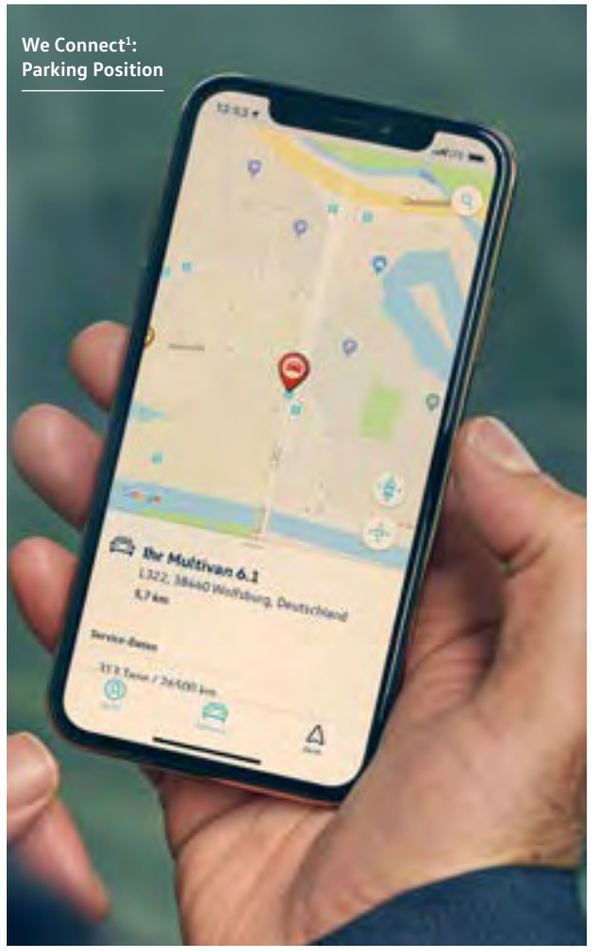

SERVICE SCHEDULING
You drive – Volkswagen **'Service Scheduling'** looks after the rest. As soon as your vehicle's service is due, a notification will automatically be sent to your chosen Volkswagen Van Centre, who will be in touch to book the service appointment with you.

EMERGENCY CALL SERVICE
In the event of a serious accident, you can press the 'eCall' button to speak to the emergency services who will automatically dispatch help to your exact location or, in the event your vehicle is involved in an accident, they will contact you and will automatically dispatch help if you are not able to respond.

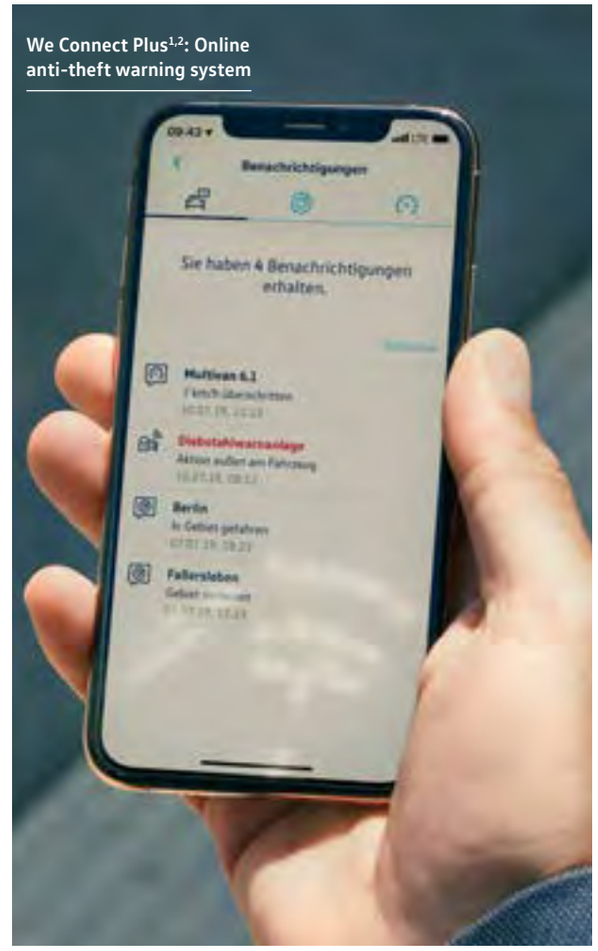

We Connect Plus [1,2]

LOCK & UNLOCK
'Lock & Unlock' allows you to control the central locking system of your vehicle – using your smartphone, you can conveniently lock and unlock the doors and luggage compartment.

ONLINE ANTI-THEFT ALARM [3]
Sit back and relax – your vehicle can look after itself. If an attempt is made to break into the car, the **'Online Anti-Theft Alarm'** will inform the We Connect app on your smartphone or by email.

We Connect[1]: Parking Position

We Connect Plus[1,2]: Online anti-theft warning system

1 Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 26.6.2023. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

RDE2 refers to Real Driving Emissions Step 2.

Weights

2.0TDI 204PS 7-speed DSG	Yes	3,080	1,620 / 1,575	2,300 / 750	5,300	2,593	487
2.0TDI 204PS 4MOTION 7-speed DSG	Yes	3,080	1,620 / 1,575	2,300 / 750	5,300	2,703	377

1 Maximum combination weight (vehicle plus trailer load) applies. Maximum gross vehicle weight will vary depending on a number of factors, including optional features, accessories fitted, engine selection and vehicle load. Maximum combination weight and, therefore, maximum gross trailer load is dependent on maximum gross vehicle weight and will vary. Please consult your authorised Volkswagen Van Centre for further information.
2 Unladen weight includes approximately 90% fuel load and 75kg for driver.
3 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 50kg max with closed elevating roof. Trailer nose weight: 100kg.

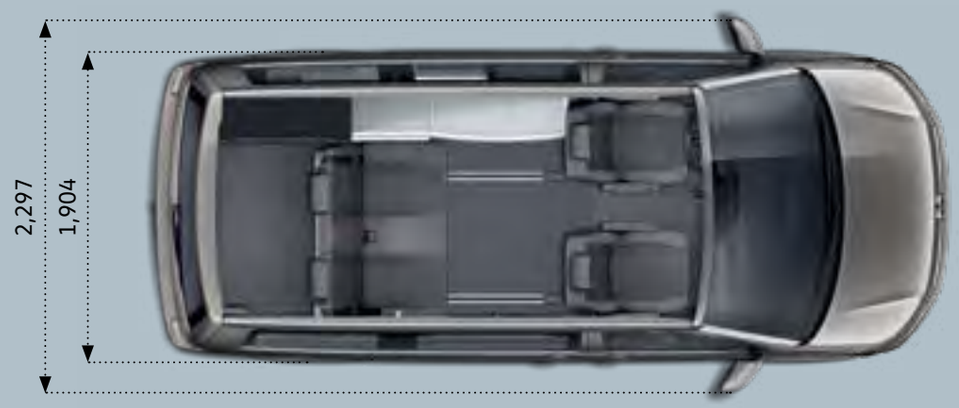

RDE2 refers to Real Driving Emissions Step 2.

Finance made simple

As dedicated to finance as we are to your new California 6.1

Learn more about our range of finance products to find a finance package that suits your budget.
Alternatively, 'Click on' the Offers & Finance button above to find out more about our latest offers to help your business thrive.

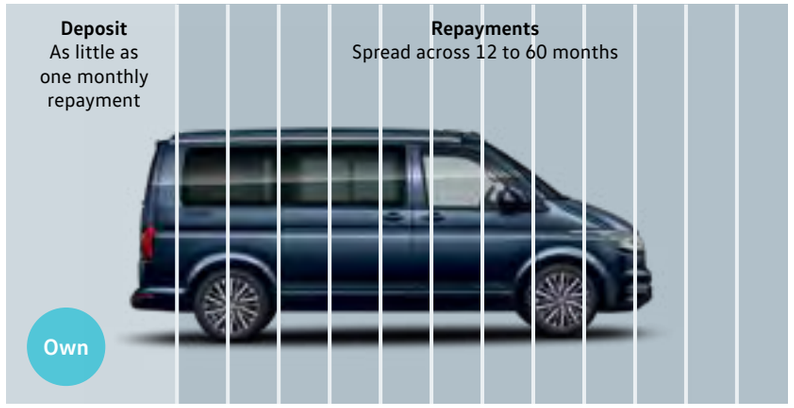

Cost of your vehicle

Solutions Personal Contract Plan

Not sure if you want to own or hire? Make the decision later.
Pay monthly payments for the length of your agreement. At the end you can decide to keep (once all payments have been made), upgrade or return the vehicle.

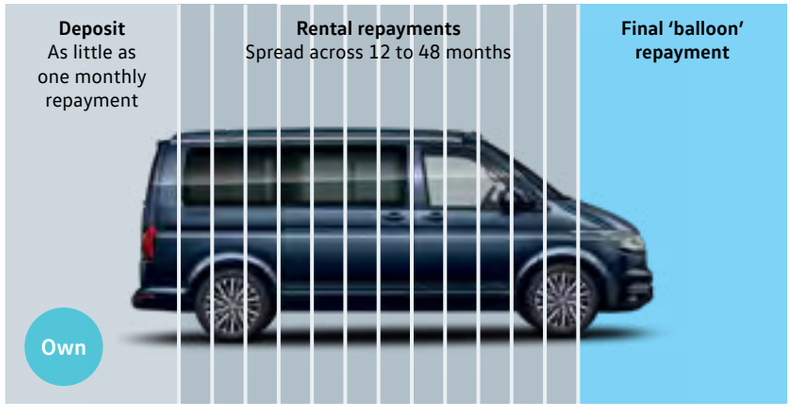

Cost of your vehicle

Hire Purchase

Make all the regular monthly payments. At the end the vehicles is yours.

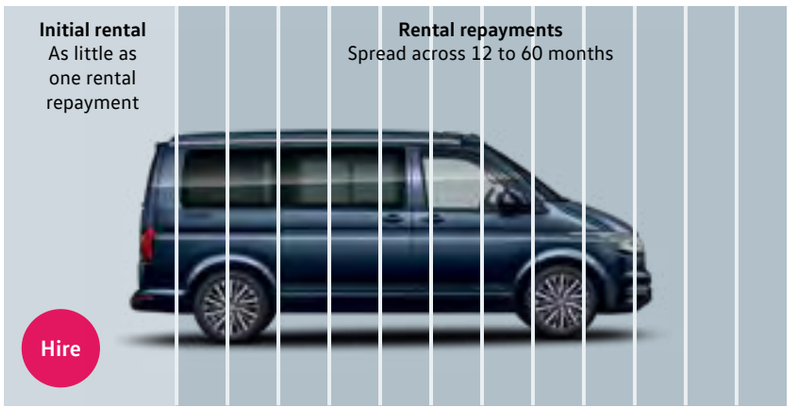

Cost of your vehicle

Lease Purchase

Make lower monthly payments by deferring an amount until the end. Once paid the vehicle is yours.

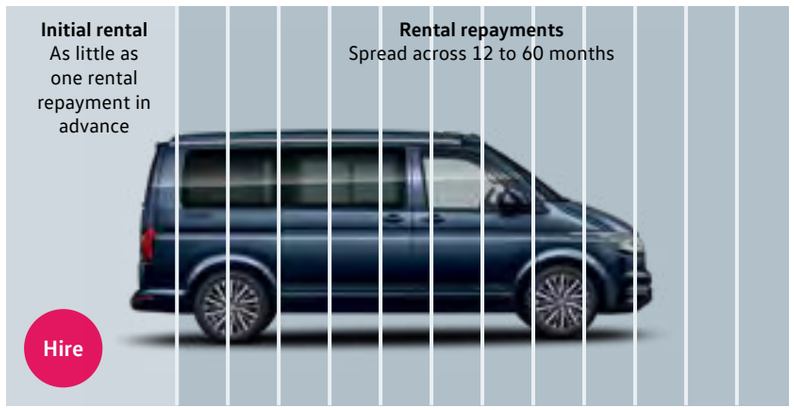

Cost of your vehicle

Contract Hire

Pay fixed monthly rentals to hire the vehicle. Look after it so at the end you can return it hassle free.

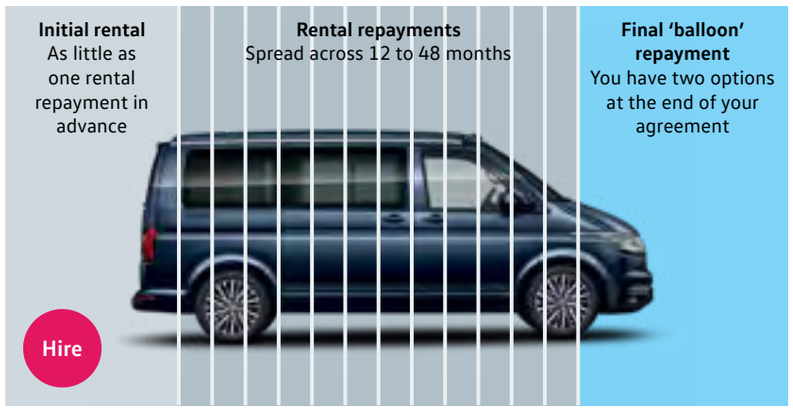

Cost of your vehicle

Finance Lease (full pay out)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle and receive a percentage of the sale proceeds. Or retain the use of your vehicle by paying a reduced annual rental.

Cost of your vehicle

Finance Lease (balloon repayment)

Pay monthly rentals to hire the vehicle. At the end you have two options. Sell the vehicle to settle the outstanding amount and receive any excess sale proceeds. Or pay the 'balloon' payment and retain the use of your vehicle by paying a reduced annual rental.

Finance subject to status. Available to 18s and over in the UK only. Terms and Conditions apply. Volkswagen Commercial Vehicle Financial Services.

Finance, insurance, servicing and warranties

Finance[1] and insurance.[3]
When it comes to paying for your van, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you insurance products with lots of features and benefits included as standard.

A choice of packages.[2]
Whether you prefer to lease your vehicles, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle that's perfect for your business, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen Car Insurance.[3]
Complimentary Volkswagen Drive Away Insurance
Every new and Approved Used Volkswagen comes with five days' complimentary insurance cover, getting you on the road quickly and easily. Volkswagen Drive Away Insurance is designed specifically for your Volkswagen and guarantees that your vehicle will be repaired in a Volkswagen Approved Repairer. Speak to your Volkswagen Van Centre for more details.
Subject to eligibility.

We will also provide you with an annual quote, with no additional questions asked,so you can continue to enjoy all the benefits Volkswagen Car Insurance offers. Read on for more details.

Volkswagen Car Insurance
Volkswagen Car Insurance offers quality service and support when you need it most, with a policy tailored specifically for your Volkswagen. Just as you'd expect from Volkswagen, our annual car insurance provides comprehensive cover, with lots of benefits included at no extra cost. Insure your car with Volkswagen and relax knowing we only use Volkswagen trained technicians, who know your car inside out, and Volkswagen genuine parts*, giving you the peace of mind that your Volkswagen will be repaired to the same high standards as before and to original manufacturer specifications.
**Excludes windscreen claims.*

Alternatively, call us on **0345 877 6464.**

We're available Monday to Friday 8am-8pm, and Saturday 9am-5pm.

Servicing and support.
We're here to keep your business moving, with our range of three award-winning[4] servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales**

Fixed cost maintenance.
This option is available for vehicles that are less than twelve months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only; Service and Maintenance; or Service, Maintenance and Tyres.

Service Plans.[5]
Designed to keep you on the road, you can plan ahead and cover your next two services with a Service Plan. With the same pricing across all eligible models, we've made paying for your first two services as easy as possible with the option to pay upfront or spread the cost over 24 months.

Pay on demand.
If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.
We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:
- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.
You can count on us long after you purchase your California, thanks to its comprehensive three-year, 100,000 mile warranty. You choose Volkswagen because your business depends on it, year in, year out. While your California is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

For more detail, please visit: **www.volkswagen-vans.co.uk/aftersales.**

Factory extended warranty.
You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment.

For more detail of cover levels, along with terms and conditions, please visit: **www.volkswagencvwarranty.co.uk** where you'll also be able to obtain a quote and purchase a Factory extended warranty.

Paint and body warranty.
Your California's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for twelve years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

The Van Centre network.
Our **dedicated Van Centre network** is at the core of everything we do and is always there to help. As a separate brand within the Volkswagen Group, it makes sense to make use of your nearest Van Centre – it's full of experts who understand your vehicle better than anyone else and can help you to get the most out of it.

Over **65 Van Centres** and **30 Authorised Repairers**, means you're only around 45 minutes on average from our door.
