The all-new California
Brochure

Commercial Vehicles

The ideal camper
for every situation

The all-new California will be available in three models: Beach Camper, Coast, and Ocean. A version for every campervan lover.

Equal in innovation to the latest Volkswagen Commercial Vehicles, it's the first California with a plug-in hybrid option and 4MOTION all-wheel drive (coming later in 2024).

The all-new California sits between the existing Caddy California and Grand California. It is the essential campervan, a complete all-rounder ideal for adventures great and small.

Beach, Coast, and Ocean

California Beach Camper

A five-seater, the Beach Camper is equipped with three individual seats in the rear; the backrests of the two outer rear seats can be folded back completely. This creates two additional sleeping spaces in the living area. It also features an external 230-volt shore power connection and a compact mini-kitchen which extends from the rear and is shielded by the boot lid.

California Ocean

Our flagship camper, the California Ocean offers all the features of the Coast and then some. Like the exclusive Mélange Raven sustainable seat fabric with embroidered details, heated seats, an auxiliary air heater, satellite navigation system, a large roof stowage box, and ambient lighting.

California Coast

The four-seater California Coast will feature a redesigned kitchenette on the passenger's side, with cabinets, a sink, a single-ring gas cooker, and a cool box. All in a compact design that allows access to the left sliding door. The extremely stable fold-out bed measures 1,980 x 1,060 mm.

Redefining
the campervan

Every model of the all-new California will now feature two sliding doors as standard, for versatility and ease of access. A pop-up roof will be standard too, with a window and large opening at the front and two additional side windows with mosquito nets in the bellows.

In the rear, you'll find individual seats that can be positioned to your personal preferences, leaving space for additional cargo, like a bike.

Built on
solid foundations

While nodding stylistically to their iconic heritage, all New California vehicles will now be built on the innovative modular transverse matrix (MQB) platform used on the long Multivan.

This means they will feature the same broad range of driver assist systems, from oncoming vehicle braking to Travel Assist semi-automated driving assistance.

Longer than its predecessor, the all-new California measures 5,173 mm in length (previously 4,904 mm), but at the same height, it remains suitable for most multi-storey car parks.

Driving innovation

Meet the first California with a plug-in hybrid drive and 4MOTION all-wheel drive system.

The all-new California range will be powered by three different systems, a turbo diesel (TDI) engine, a turbocharged petrol engine (TSI), and the new plug-in hybrid drive (eHybrid) which can operate as fully electric for everyday use.

The eHybrid model uses the combined efficiency of an electric motor and a high-tech TSI engine for maximum range and a towing capacity of up to 2,000 kg. Perfect for globetrotters with boats or motorbikes in tow.

All of these drivetrains can be combined with all trim levels and are coupled with a DSG automatic gearbox.

TDI 110 kW (150 PS)
TSI 150 kW (204 PS)
eHybrid 180 kW (245 PS) (coming later in 2024)

The iconic
two-tone paint finish

In addition to eleven single-tone finishes, the all-new California will be available in three classic two-tone combinations: Mono Silver/Energetic Orange metallic, Deep Black Pearl/Fontana Red metallic, and Candy White solid/Starlight Blue metallic.

The pop-up roof will be configurable in three colours: Toffee Brown, Glacier Blue, and Basalt Grey. Choose from several different 16-inch, 17-inch, 18-inch, and for the first time 19-inch alloy wheels.

All new interior architecture

The all-new California has the most spacious interior yet. The California Beach will feature the same modular interior concept as the Multivan.

Light sleepers will benefit from an enhanced blackout system across the range, with removable storage pockets being added for the rear side windows, integrated roller blinds on the sliding doors and boot lid, magnetic shades for the front side windows and a new integrated windscreen shade*.

*In the Coast and Ocean models, these are upgraded to new-design thermal shades and an insulated shade respectively.

Coast and
Ocean

Improved kitchenette in Ocean/Coast

Improved kitchenette in Ocean/Coast

The Coast and Ocean models also feature an improved kitchenette, finished in a two-tone Platinum Sandwich/ Raven Brushed trim. As well as being far more space-efficient, it now features a pull-out cool box. The gas cylinder is now much easier to access via a small door in the load compartment.

Fold-out mini-kitchen standard in the California Beach Camper

Beach Camper

Beach Camper has a versatile slide out kitchen module in the rear load area. It includes a single ring gas burner, cutlery drawer and additional storage as well as a 230v power socket. The rear location allows the user be sheltered by the open tailgate.

Fold-out mini-kitchen standard in the California Beach Camper

Innovative control

Last but certainly not least, the all-new California camper functions can be controlled via the main infotainment display at the front of the vehicle; via the new 5-inch van control unit in the C-pillar of the vehicle; or via the California app*.

You will be able to access all camping-relevant features via the 5-inch touch display, including fresh water and wastewater levels, interior lighting functions, power supply status, cool box controls, and the auxiliary heater.

Camping mode will deactivate the Coming Home and Leaving Home functions when the vehicle is opened and closed on a campsite. You can even turn off all LED background lighting with a double-tap, like you're in a luxury hotel.

*Certain functionality will only apply to certain trims.

Highlight features
of the all-new California

- Based on the long Multivan
- Manual pop-up roof as standard on California Beach Camper; electro-hydraulic pop-up roof as standard on California Coast and Ocean models with bellow in a choice of three colours, new colour: Toffee Brown
- Blackout blinds as standard
- Weight reduced awning with lockable housing and integrated crank
- Bellow with 3 windows and 1 front opening
- Sliding doors on both sides of the vehicle for added comfort and flexibility in camping and everyday use
- Previous 2-seater bench is replaced by 2/3 modular single seats
- Awning available for the left or right side of the vehicle
- Practical cool box accessible from outside and inside
- Monitoring and control of the camper functions via 3 touch points: Camper control unit, infotainment system, California app
- Vehicle height under 2.0 m (even with awning)
- Drawer compartments underneath the swivel seats in the cockpit and the single seats in the passenger compartment
- Privacy glazing (65 % light absorbing in the living area)
- Elimination of gear and handbrake levers for greater freedom of movement and more available space
- Warm white ambient lighting all-around the roof frame, dimmable via touch control
- Numerous stowage options
- Fold-out mini-kitchen in the rear[2], with 1-burner gas cooker, cutlery drawer and large stowage tray
- Kitchenette[1] with versatile folding table and 230-V socket for cooking in the open air
- 45 watt USB charging socket
- Lower lying surface = 5 cm longer
- Large luggage compartment
- Fresh water tank capacity increased by 5 litres

1 Kitchenette with folding table = standard equipment for California Coast and California Ocean.
2 Fold-out mini-kitchen with gas cooker in the rear = standard equipment for California Beach Camper.

Welcome
to the cockpit

A Leather-covered multifunction steering wheel with paddles
B Digital Cockpit Pro
C Engine starter button (“Keyless Start” keyless comfort start function)
D Selector lever for dual clutch gearbox DSG (Shift-by-Wire)
E 25.4 cm (10 inch) colour touch display
F Buttons for Park Distance Control, air conditioning system, electric sliding doors etc.
G 2 USB-C ports
H Compartment with 2 0.5-litre bottle holders
I 12-volt socket
J Storage compartment with lid
K Storage compartment with lid

California
Beach Camper

Exterior features

- 65% darkened windows in the passenger compartment
- Awning on left side, with white housing
- Black gloss painted trim between the headlights
- Exterior mirror housings in Glossy Black
- Front fog lights
- Laminated-glass windscreen, heat-insulating and noise damping
- Manual pop-up roof, with 3 windows and 1 front opening, bellow in Basalt Grey
- Sliding door, left and right side, with sliding window

Interior features

- 3 single seats in the rear cabin with integral seat belt and sleeping mat
- Air conditioning system with manual control in cab, with auxiliary heater for load/passenger compartment
- Height-adjustable swivel seats for driver and front passenger, with armrests (both sides), lumbar support (power adjustment), drawer compartment, without folding table at the back
- Reading light for front passenger
- “Scale Light Grey” decorative inserts
- Two-tone fabric seat covers in “Bright Dots“ design

Wheels

- 16” “Syrakus” alloy wheels 6.5
- 16-inch disc brake front and rear
- Standard suspension and shock absorption
- Tool kit and Tyre Mobility Set (in the luggage compartment)

Driver assistance and safety features

- Adaptive Cruise control system
- Anti-theft alarm and electronic immobilizer
- Central locking system with the “Keyless Start” keyless comfort start function, with SAFELOCK
- Daytime running lights switch with automatic lightning control
- Driver Alert System
- Driver and front passenger airbags with front passenger airbag deactivation
- Dynamic headlight range control
- Dynamic Road Sign Display
- eCall Emergency System
- First aid kit, warning triangle and safety vest
- “Front Assist” autonomous emergency braking with pedestrian and cyclist detection
- Front and rear parking sensors
- Front and rear seat belt warning
- High beam assist
- Interior rear view mirror, auto dimming
- Leather-covered multifunction steering wheel with paddles
- Lane departure warning “Lane Assist”
- LED main headlights with LED daytime running lights
- LED tail light clusters
- Side and curtain airbags for driver and front passenger, curtain airbags for the outer seats in the back and front centre airbag
- Speed limiter and “Intelligent Speed Assist”
- Sun visors with mirror, illuminated, ticket holder on the driver‘s side, with airbag label on the sun visor and B-pillar
- Swerve support and turn-off assist
- Tyre Pressure Monitoring System
- Windshield wiper intermittent control, 4 stages, for windshield wipers with rain sensor

Infotainment and connectivity

- 2 USB-C ports at the front, 4 USB-C charging ports in the passenger compartment (45 watt)
- 8 loudspeakers (passive)
- App-Connect including App-Connect Wireless for Apple CarPlay™ and Android Auto™
- Digital Cockpit Pro
- Radio “Ready 2 Discover” with 25.4 cm (10-inch) colour touch screen incl. Streaming & Internet and DAB+

Camping equipment

- 230-V inlet with charging feature for vehicle batteries and 230-V 3 pin socket in the interior
- Camper control unit (in the right C-pillar)
- Camping table (underneath the bed extension) and 2 folding chairs (in the tailgate)
- Drawer compartments underneath the exterior seats in the passenger compartment and 2 waste containers
- Folding lower bed 1,990mm x 1,330mm
- Fold-out mini-kitchen in the rear with 1-burner gas cooker
- Fuel-fired parking heater and fuel-powered auxiliary heater
- Gooseneck lamp (LED) for loft bed
- Interior blackout system: hooded curtain for windshield, magnetic curtains for front side windows, roller blinds for tailgate and sliding doors, stowage bags between C- and D-pillar
- Roof top bed 2,050mm x 1, 140mm
- Technical box with additional battery and 230-V outlet
- Ventilation grilles for driver and passenger windows

California Coast (in addition to Beach Camper)

Interior features

2 single rear passenger seats with integral seat belt and sleeping mat

Climatronic 3-zone air conditioning system

Drawer compartments underneath the exterior seats in the passenger compartment and 2 waste containers

Height-adjustable swivel seats for driver and front passenger, with armrests (both sides), lumbar support (power adjustment), drawer compartment, without folding table at the back

“Scale Light Grey” decorative inserts

Two-tone fabric seat covers in “Ribella“ design

Camping equipment

2nd and 3rd additional battery with LV voltage converter

Folding lower bed 1,990mm x 1,330mm

Interior blackout system: thermo mats for cab, roller blinds for tailgate and sliding doors, stowage bag between right C- and D-pillar

Kitchenette with versatile folding table and 230-V socket, in Platin Sandwick (upper cupboard) and Platin Raven (lower cupboard)

Roof top bed 2,050mm x 1,060mm

Wheels

17” “Dundrod“ alloy wheels, in silver

Driver assistance and safety features

Central locking system with the “Keyless Start” and “Keyless Entry”, with SAFELOCK

Front and rear parking sensors with park assist

Heated front windscreen

Rear view camera

California Ocean (in addition to Coast)

Exterior features

Black gloss painted trim between the headlights with two chrome trims

Electrohydraulic pop-up roof, with 3 windows and 1 front opening, bellow in Basalt Grey

Power latching tailgate

Sliding door, left and right side, with power latching system

Tailgate with power latching system

Interior features

Ambient interior lighting

“Dark Silver Brushed” decorative inserts

Interior lighting in the pop-up roof, tailgate and at the kitchen cupboard

Kitchenette with versatile folding table, 230-V socket and roof storage compartment, in Frizo Sandwick (upper cupboard) and Platin Raven (lower cupboard)

Seat heater for seats in cab, left and right, separately controllable

Textile floor mats in the cab

Two-tone fabric seat covers in “Mélange“ design, with California lettering

Wood-look floor covering

Infotainment

Discover Pro navigation system with 25.4 cm (10-inch) colour touch screen incl. Streaming & Internet and DAB+

Wheels

18” “Toshima” Alloy wheels, in silver

Driver assistance and safety features

Advanced high beam control

Driving mode selection

Dynamix headlight range control, with cornering light

Heated leather-covered multifunction steering wheel with paddles

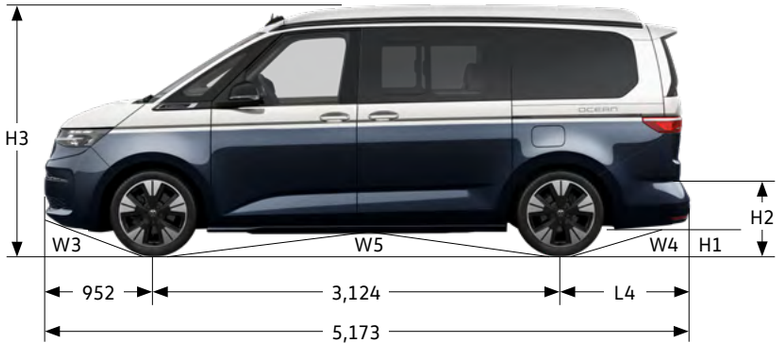
1 Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other vehicles tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. Data correct at 26.6.2023. Figures quoted are for a range of configurations (including non-UK) and are subject to change due to ongoing approvals/changes. Please consult your authorised Volkswagen Van Centre for further information.

RDE2 refers to Real Driving Emissions Step 2.

Dimensions

		California
H1	Ground clearance (with lowered chassis) – mm	152 (132)
H2	Load sill over stationary level (with lowered chassis) – mm	583 (563)
H3	Vehicle height (with lowered chassis) – mm	1,972
L4	Overhang – mm	1,097
W1	Width – mm	1,941
W2	Width including mirrors – mm	2,252
W3/W4	Approach and departure angle, front/rear – degrees	18.0/13.2 (16.1/13.1)
W5	Ramp angle (with lowered chassis) – degrees	11.8 (10.8)
	Vehicle length with trailer hitch – mm	5,276
	Side sliding doors, width (with electric sliding door) x height – mm	931 (900) x 1,173
	Tailgate, width x height – mm	1,312 x 1,169
	Minimum turning circle, approx. – m	12.1



* Interior dimensions demonstrated on Beach Camper trim.

Weights

Engine/transmission	Gross vehicle weight, kg	Axle load limit, front/rear, kg	Trailer weight braked 12%/unbraked, kg	Gross train weight, kg	Unladen weight[1], kg	Payload[2], kg
California Beach Camper						
150PS 2.0 TDI 7-Speed DSG	2,850	1,510 / 1,450	2,000 / 750	4,850	2,353	497
California Coast						
150PS 2.0 TDI 7-Speed DSG	2,850	1,510 / 1,450	2,000 / 750	4,850	2,417	433
204PS 2.0 TSI 7-Speed DSG	2,850	1,510 / 1,450	2,000 / 750	4,850	2,366	484
California Ocean						
150PS 2.0 TDI 7-Speed DSG	2,850	1,510 / 1,450	2,000 / 750	4,850	2,437	413
204PS 2.0 TSI 7-Speed DSG	2,850	1,510 / 1,450	2,000 / 750	4,850	2,394	456

1 Unladen weight includes approximately 90% fuel load and 75kg for driver.
2 Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). Trailer nose weight: 80kg.

Please note: Screen technology does not allow exact reproduction of the paint and upholstery colours. Some of the vehicles shown are European specification and may be fitted with optional equipment or accessories that are available at extra cost, or do not reflect current specification. All data and specifications are in accordance with information available at the time of publication and are subject to change without notice. Vehicles not currently in UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory-fitted options are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted-options and paint and upholstery options are subject to availability. Please check details and availability with an authorised Volkswagen Van Centre at the time of ordering.
