Bouncing Bunny Craft

Instructions:

Step 1: Print me out and colour me in.

Step 2: Ask an adult to cut out the shapes.

Step 3: Glue one end of the paper strip to the other end, so that the two strips make a right angle.

Step 4: Start to fold the paper strips over each other to make a square-shaped spring. When there's no paper left to fold, glue the top end of the paper strips together to make a spring.

Step 5: Glue one set of bunny feet to the bottom of the spring and the other set to the top, then glue the bunny head to the top of the spring, on top of the bunny feet.

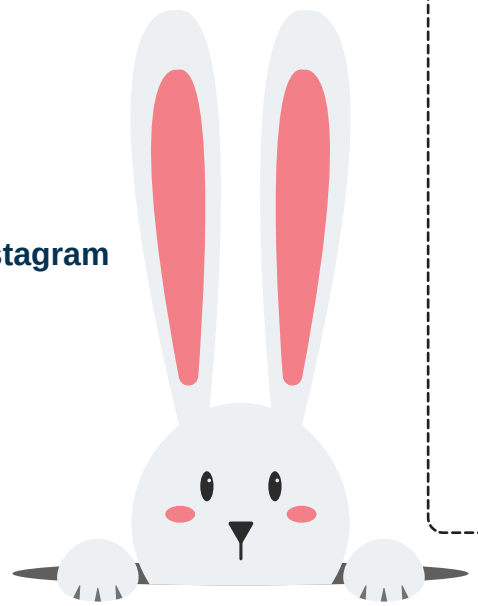

Now you have your very own bouncing bunny!

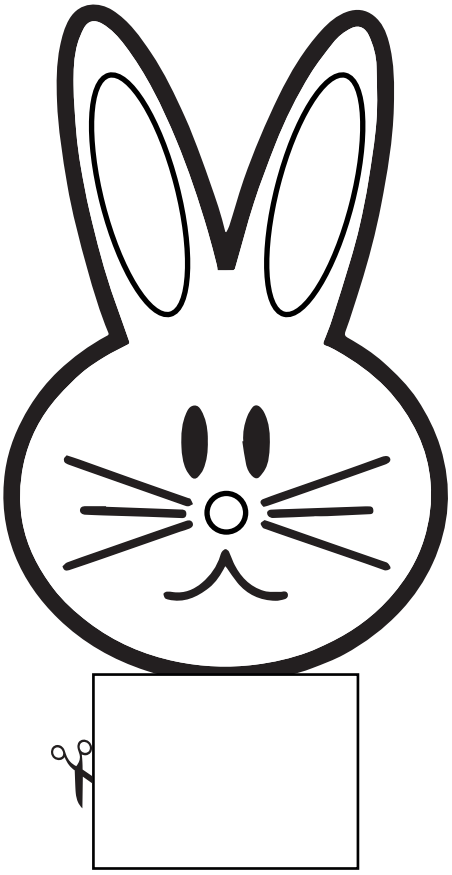

Remember: Print out the activity pack singled-sided to complete this activity
